Mr. Kenneth John Azbill, Chairman
Board of Directors
Urban Indian Health Board Inc.
56 Julian Avenue
San Francisco, California 94103

Dear Mr. Azbill:

Thank you for your letter reflecting your concerns about the W.I.C. program. You should be aware that I am in full support of the establishment of a Women, Infants and Children Program in San Francisco.

Members of my staff have been in contact with Mr. David Owen and Mr. Oliver Forest of the W.I.C. Program based at the Native American Health Center. My office has offered to be of assistance in their effort to obtain a W.I.C. Program for San Francisco while continuing the Food Supplement Program. Staff will remain in touch with the Community Coalition, and I trust that you will keep me informed of its progress.

I look forward to the day when each of San Francisco's pregnant women, mothers and their children will be able to participate in the type of nutritional program that is most appropriate to their individual needs.

Sincerely,

George R. Moscone
Mayor
